

Quick & Easy

THE COSTCO WAY

Driscoll's® Stuffed Strawberries

Makes 8 servings

Ingredients:

32 Driscoll's® Strawberries
1 cup mascarpone cheese
½ cup heavy cream
4 Tbsp sugar
2 tsp vanilla extract

Instructions:

Cut leaves and stem off strawberries. Place stem-side down on a cutting board. Cut each strawberry lengthwise into quarters, stopping just before the knife hits the cutting board so berries stay intact. Place on a serving platter. In a medium bowl, combine mascarpone, cream, sugar and vanilla. Beat with an electric mixer until the cream is thickened and smooth. Place mascarpone mixture in a piping bag with a star tip attached, or insert into plastic bag with one corner cut off. Slowly pipe the mascarpone cream into the strawberries until filled. Garnish with mint leaves or coconut flakes.
