

## Mini Star Cakes using Kirkland Signature™ Sheet Cake

Makes 5 servings

### Ingredients:

Kirkland Signature Sheet Cake  
1 cup mixed berries

### Instructions:

Slice cake in half vertically, then slice each half through the center filling, creating four sections of cake. Using large star-shaped cookie cutters, cut out a star-shaped cake. Place on a platter. Decorate cake bites with berries of your choice.

**Tip:** Freeze the cake beforehand to make slicing and cutting out shapes easier.
