

March 9, 2023

Dear Costco Member,

Costco's records indicate that you, or one of your add-on members, have purchased Item # 1372952/1372956 Yeti Hopper M30 Cooler between March 2020 and January 2021.

Yeti, in cooperation with the U.S. Consumer Product Safety Commission (CPSC), is voluntarily recalling the Hopper M30 1.0. According to the CPSC's recall announcement (which is available on [cpsc.gov](https://www.cpsc.gov)), the magnet-lined closures on these products can fail and release the magnets, which poses a risk of serious injury or death if ingested.

Please immediately stop use of this product and return it to your local Costco for a full refund.

We apologize for any inconvenience this recall may cause.

Sincerely,

Costco Wholesale
