

IMPORTANT SAFETY RECALL

Bose Recalls Acoustimass, Lifestyle, and Companion Bass Modules Manufactured Prior To April 2006

DETAILS:

Bose is voluntarily recalling bass modules manufactured before April 1, 2006 that were sold with select Acoustimass, Lifestyle, and Companion home theater systems. Under certain conditions, electrical components within the bass module can fail, posing a fire hazard.

Stop using your bass module and unplug it from the electrical outlet immediately.

FOR MORE INFORMATION:

Visit support.bose.com/am-recall for instructions on how to determine if your bass module is included in this recall. If you cannot access this website, please call 888-260-0819.

If your bass module is included in this recall, it will be repaired free of charge. Alternatively, given the age of your product, you may elect to return your bass module in exchange for a 40% discount on a new Bose Soundbar, which is our newer all-in-one music and home theater sound solution.

This recall is being conducted in cooperation with the U.S. Consumer Product Safety Commission.
