

September 15, 2021

Dear Costco Member,

Costco records indicate that you, or one of your add-on members, purchased our Stanley Jr. Mega Kit, Role-play toolbox and toolset with power drill (Item #1427701) between September 9, 2021 and September 14, 2021. Unfortunately, we have received reports regarding the presence of mold on some of the tool belts included in the kit.

Please inspect your tool belt for any presence of mold.

If mold is detected, please discard the tool belt immediately. Red Toolbox regrets the inconvenience this may cause and would like to send you a replacement tool belt free of charge. Please contact Red Toolbox directly at 800-589-5794 or email office@red-toolbox.com.

Alternatively, if you are not fully satisfied, you may return the item to Costco for a full refund.

Sincerely,

Ami Rosenfeld
CEO
Red Toolbox
