PRODUCT RECALL

Dear Costco Member,

The safety of our customers is our top priority. We are providing you with this notice because we have learned of a safety issue involving one of our products. In cooperation with the U.S. Consumer Product Safety Commission ("CPSC"), we are conducting a voluntary product recall with consumers to correct this issue.

Costco's records indicate that you have purchased item #1325688, a Bayside Furnishings 9-Piece Lawler Dining Set that includes a table and eight chairs. We have recently discovered that our dining chairs can break, posing a fall hazard to consumers. Even chairs that have received a replacement chair back are still part of this recall. Please stop using all of the chairs immediately.

Please call Whalen Product Support at 833-205-0936 from 8:30 AM PST to 4:30 PM PST, Monday through Friday to obtain a full refund of the dining set and arrange for the return of the chairs. Our customer service team stands ready if you have any questions or concerns.

We apologize for any inconvenience or disappointment this may have caused you.

Yours sincerely,

Jose Laparte
President
Whalen
